

## Machu Picchu, Manu Road classic 13 days.

**Day 1: ARRIVE TO LIMA:** They arrived safe to Lima at 10:30 pm and then we transfer them into our hotel in Miraflores.

### **Day 2: Lima – Pucusana - Villa Marshes – Afternoon flight to Cusco**

We have been to Pucusana for our boat trip on the Pacific Ocean: we were very lucky to see Surf Cinclodes (endemic) when we just arrived near the port, then we did our usual trip; We have seen: Humboldt Penguin, Blackish Oystercatcher, Guanay Cormorant, Red-legged Cormorant, Peruvian booby, Blue-footed Booby, Inca Tern, Peruvian Pelican, Whimbrel, Ruddy turnstone, Scaup. After Pucusana we have been to Pantanos de Villa; we have found here: Long-tailed Mockingbird, Harris's Hawk, Gray Gull, Gray-hooded Gull, Belcher's Gull, Andean Gull, Kelp Gull, Franklin's Gull, American Oystercatcher, Spotted Sandpiper, Andean Coot, Common Gallinule, Cinnamon Teal, White-cheeked Pintail, Great Grebe, Snowy plover, Wilson's Plover, Semipalmated Sandpiper, Peruvian Meadowlark, Yellow-hooded Blackbird, Many-colored Rush-Tyrant, Wren-like Rushbird, Striated Heron, Burrowing Owl, Scrub Blackbird, Groove-billed Ani, Little-blue Heron. After nice morning we went for buffet lunch at Rustica's Costa Verde and after excellent food we went to catch our flight to Cusco

### **DAY 3: Cusco – From Huacarpay Lake to our lodge at 1500 m**

We started early drive to Huacarpay Lake and get some time birding around. We have seen today: Yellow-billed Teal, Yellow-billed Pintail, Plumbeous Rail, Andean Teal, Yellow-winged Blackbird, Andean Negrito, Band-tailed Sierra-finch, Ban-tailed Seedeater, Chiguanco Thrush, Andean Flicker, Green-tailed Trainbearer, Giant Hummingbird, Rusty-fronted Canastero (endemic), Black-winged Ground-Dove, Bare-faced ground-dove, Black-throated Flowerpiercer, Black-tailed trainbearer, Bearded Mountaineer (endemic), Greenish Yellow-finch, Green Violetear, Puna ibis, Black-faced Ibis, Andean Potoo, Lyre-tailed Nightjar before we get to our lodge.

### **DAY 4: Birding along Manu Road up to 2200m and back to 1500m**

Early breakfast and birding along the upper road at to 2500 m: Scale-crested Pygmy-tyrant, Yungas Manakin, Plumbeous Pigeon, Paradise, Silver-beak, Blue-necked, Orange-eared, Golden, Saffron-crowned, Berly-spangled, Spotted, Slaty, Bay-headed, Palm, Blue-Gray, Golden-naped, Yellow-throated Tanagers, Common, Yellow-throated Bush-Tanager, Andean Cock of the Rock, Speckled Chachalaca, Sharp-tailed Streamcreeper, white-crowned Tapaculo, Andean Motmot, Andean Solitarie, Ash-browed Spinetail, Montane Foliage-gleaner, Deep-blue Flowerpiercer, Black-eared Hemispingus, Sickled-winged Guan, Speckled Hummingbird, Violet-fronted brilliant, Sparkling Violetear, Wire-crested Thorntail, Peruvian Piedtail (endemic), Golden-olive Woodpecker, Slate-throated Redstart, Three-stripe Warbler, Versicolored Barbet, Golden-crowned Flycatcher, River Tyrannulet, Bananaquit, Yellow-breasted Antwren, Green Jay, Russet-backed, Dusky-green Oropendolas, Blue-banded Toucanet, Bronze-green, Purple-throated Euphonias and after dinner Rufescent Screech-Owl near the lodge

### **DAY 5: Birding along the Road to Atalaya village and boat ride to our Amazon lodge at 512m**

Early breakfast and birding the upper road again for mixed flocks and some other species that we could not see well prior day. The morning was great but after lunch it was raining for few hours until we reach the Lodge.

We have seen some new species for our list: Gray-breasted Wood-Wren, Green-fronted Lancebill, Chestnut-tipped Toucanet, Montane woodcreeper, Buff-browed Foliage-gleaner, Cinnamon-faced, Bolivian Tyrannulets, Marble-faced, Variegated and spectacled bristle-tyrant, Rufous-tailed Tyrant, Cinnamon, Lemon-browed, Streaked, social, brown-crested Flycatchers, Black phoebe, Tropical Kingbird, White-winged Becard, Purplish, Violeaceous Jays, White-winged Swallow, Pale-eyed, Black-billed Thrush, Magpie, Black-googled, Short-billed Bush-tanager, Yellow-bellied, Green and Gold Tanagers, Black-faced Brush-finch, Black and white seedeater, Pale-legged, Two-banded Warblers, Yellow-rumped Cacique, Hooded Siskin, Orange-bellied Euphonia, Blue-naped Chlorophonia, Yellow-bellied, Black-faced, Blue Dacnis, Spot-breasted Woodpecker, Blue-crowned trogon, Gray-breasted Sabrewing, Golden-tailed Sapphire, White-collared Swift, Smooth-billed Ani, Fasciated Tiger-heron.

### **DAY 6: Birding along a trails early morning, clearing lodge and trail in the afternoon.**

We started early exploring the Jeet Trail and we did a loop behind the small lagoon and a creek near the main river for the morning and after lunch we search for some birds around the clearing lodge and we have been to watch birds from the small tower behind the staff house. After dinner we search for some nocturnal birds. Weather was good in the morning and we got some rain after lunch but it did not interfere on our birding activities.

Birds seen: Cinereous, Black-capped, Undulated Tinamous only heard; Blue-throated Pigmy-Guan, Razor-billed Curassow, King Vulture, Gray-necked Wood-Rail, Ruddy Pigeon, hoatzin, Great potoo, Short-tailed Swift, Blue-tailed Emerald, Rufous-crested Coquette, White-necked Jacobin, Fork-tailed Woodnymph, Violaceous, Collared, Black-tailed Trogons, Bluish-fronted jacamar,

Black-fronted Nunbird, lemon-throated Barbet, Chestnut-eared Aracari, Crimson-crested Woodpecker, Plain Xenops, Plain-winged Antshrike, Pale-legged Hornero, White-lined Antbird, Thrush-like, Amazonia Antpittas only heard, Rusty-fronted, Yellow-browed Tody-flycatchers, Yellow-Margined, Gray-Crowned, Gray-capped, boat-billed, Short-crested, Dusky-capped Flycatchers, Lesser Kiskadee, Long-Tailed Tyrant, Pink-Throated Becard, Bare-necked Fruitcrow, Fiery-capped, Band-tailed Manakins only heard, Ringed Antpittit only heard, Masked-Crimson Tanager, Pectoral Sparrow, Red-capped Cardinal, Crested Oropendola, Common Pauraque, Tawny-bellied Screech-Owl.

**DAY 7: Early start visiting Parrot clay lick and Machu Huasi Oxbow Lake - Afternoon Birding.**

We have visited a parrot clay lick but we did not see much and turned back to Machu Huasi communal reserve for a raft floating boat made from a balsa wood and birding along the trails before we back to our lodge. After lunch we have been to the trail near the stream and part of the bamboo stand forest. Weather was great; sunny, humid and did no rain during the day.

Birds seen: Rusfacent Tiger-Heron, Collared Plover, Drab water-Tyrant, Yellow-browed Sparrow, Little Ground-tyrant, Swallow-Wing, Great Antshrike, Black-banded Woodcreeper, Black-capped Donacobius, Grayish Saltator, Purple, Gallinule, Yellow-rumped Cacique, Great Kiskadee, Horned Screamer, Pale-eyed Blackbird, Scarlet-hooded Barbet, Gould's Jewelfront, Pygmy Antwren, Warbling Antbird, Bamboo Antshrike, Cream-colored Woodpecker, Blue-Crowned Motmot (Amazonian), Turquoise Tanager, Plain Tyrannulet, white-lored tyrannulet, sepia-capped Flycatcher and many more..

**DAY 8: Breakfast we headed back to Manu road up to 3000 m**

We have been to the parrot clay lick again this morning and we have seen some parakeets actually licking clay! Then we started our trip back to manu road and get into the station to spend overnight there. We have found some mixed flocks and great view of Golden-headed Quetzal and several other species. We arrived to get our accommodations and dinner.

**DAY 9: Birding down road and drive up to San Salvador on the way to Cusco City**

We started with a nice sunrise view from our cabins and then excellent breakfast, after we drove down road after the second tunnel for much bird diversity and after some hours birding around there we turned back on the way to Cusco but we took different road up to 5000 m for Giant Coot and other specialist among the area, then we drove straight to Cusco city. Dinner and overnight in our comfortable hotel.

**DAY 10: Train ride up to Machu Picchu Pueblo (Aguas calientes)**

We went up to Poroy station for our train ride for 3 hours around. We arrived to our hotel and we went up to Machu Picchu by buss. After an amazing time around the Inca site we drove back to the small pueblo for our lunch and afternoon birding. Dinner and overnight.

**DAY 11: Morning Birding and Train ride up to Ollantaytambo (sacred Valley)**

Full morning birding! And after lunch train ride to our hotel in Ollantaytambo. Dinner and overnight there.

**DAY 12: Morning Birding up to Peñas, Abra Malaga and Carrizales – Cusco**

Early start birding up the road for endemic species, we had the best view ever of Cuzco Brush-finch and after lunch we drove straight to Cusco. Dinner

**DAY 13: City Tour and our last lunch together - Afternoon flight to Lima**

After a great time visiting Inca ruins outside town we meet again for our last lunch together.

**THANKS VERY MUCH FOR COMING AND JOIN PERU BIRDING TOURS FAMILY☺**

Machu Picchu Time!

Amazonia Lodge

Last Lunch!
